**HOW THIS WORKS**

1. These special orders must be placed by phone by Monday August 24.  
We think it's a good idea to offer these items via special order rather than putting them on the website - - we are able to reduce prices because we are not holding inventory.
2. Your order will be delivered later that week. If combined with a regular order, you will not be charged additionally for delivery. If you do not have a regular MPF order that week, you will be charged for this delivery (\$7.50 for Locavore members/\$15.00 for non-members).
3. Your credit card will be charged after we receive the items your ordered, so that you will be charged for the exact weight you received.
4. Note that a limited supply of these special items are available. We will advise you if we cannot fulfill your order completely.
